

## Hot spray systems

### *Spray plastic gun BM SP 3000*

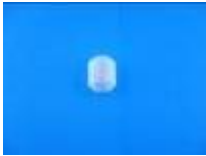

➤ Repair kit for gun (501747)

• Repair kit for gun and cylinder (large set) (504542)

• Teflon seal ring for paint needle. (CEO008F)

• Needle for SP 3000 (110525)

• Valve seat for needle (CEO008H)

➤ Pneumatic cylinder for gun (503921)

• Protection pipe aluminum. (110413)

➤ Gasket for nozzle (CEO0089)

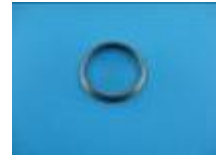

# Common spare parts “Equipment”

2013-01-02

- Ring for nozzle gasket

(CEO008A)

- Limitation collar (std) ( $\geq 10$ cm width)

(105005)

- Limitation collar Narrow. ( $\geq 5$ cm width)

(110390)

- Limitation collar narrow. ( $\geq 8$ cm width)

(104723)

- Pneumatic control valve (Univer ac 7500)

(503027)

- Electric plug for ac 7500

(500003)

- Electric coil for ac 7500

(500002)

- Nut for Univer coil

(500004)

# Common spare parts “Equipment”

2013-01-02

- Pneumatic control valve for air atomizer (red-ring) (500897)

- Repair kit for Red-ring (504806)

- Electric plug for red-ring (500833)

- Electric coil for red-ring (500777)

- Delay for air atomizer (only on older systems) (502337)

## Paint nozzle

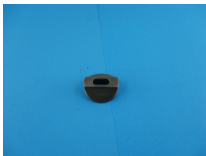

- A type (large 5 mm) Borum Standard (112602)

- B type (small 3 mm) (112601)

- Extra large (7 mm) (109944)

# Common spare parts “Equipment”

2013-01-02

## Air atomizer nozzle

- A type (large 5 mm) ( $\geq 10$ cm) Borum Standard (113942)
- B type (small 3 mm) ( $\geq 10$ cm) (105009)
- Narrow 1. ( $\geq 5$  cm) (5mm paint nozzle) (110550)
- Extra large (7 mm) ( $\geq 10$ cm width) (109945)

## Spray pressure tanks *BM SP 200-650*

- Pressure gauge for tank (503521)
- Safety valve 8,5 bar (503130)
- Shaft seal kit for agitator. (504575)
- Gasket for bearing housing agitator (105759)

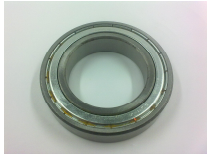

# Common spare parts “Equipment”

2013-01-02

- Gasket for bearing house assembly (105760)

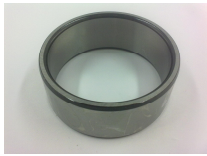

- Bearings for agitator. (2 pieces needed) (500388)

- Axle for agitator (100016)

- Wear bush (5 pieces needed) (500838)

- Seal kit (504573)

- Gasket for lid. (For SP 200-1000) (CEO018S)

- One way valve for air connection. (500936)

- Ball valve for air connection ( 1/2” – 3 way ) (503184)

- Hydraulic motor for agitator. (501374)

# Common spare parts “Equipment”

2013-01-02

- Pressure regulator.

(500608)

- Pressure gauge for regulator.

(500518)

## ***Spray plastic pump BM SP 2000***

- Shaft seal kit (4 pieces for each pump)

(500670)

- Roller bearings for shaft

(504410)

- Seal for roller bearings

(500841)

- Spring for shaft seal

(500526)

- Repair kit for pump (small) (shaft seal kit)

(508715)

- Repair kit for pump (large)

(510092)

# Common spare parts “Equipment”

2013-01-02

- Check valve for pulse compensator ½” (500936)  
(New pumps ½” old pumps ¼”)

¼” (503559)

- Ball valve for pulse compensator ¼” (500295)

- Needle valve (air adjustment screw) for pulse compensator. (503164)

## ***Other parts***

- Teflon gasket for spray arms (2 pieces for each joint) (111597)

- For TR SP 1000 (201165)

- For TR SP 1000 (201152)

- Studs and nuts for spray arm joints.

# Common spare parts “Equipment”

2013-01-02

## ➤ Wheel for retainer

- For self propelled machines.ø200mm (510501)
- For truck mounted systems.(small wheel)ø210mm (503203)
- For truck mounted systems.(large wheel)ø260mm (500901)
