

Congratulation on your new BM PS 15 pump station

2015-27-05

BM PS 15 pump station

You have now received your new pump station from Borum.

To ensure the reliability, service and maintenance is very important.

In the manuals you can find the service scheme for your machine,

Parts for first 50 hours service

PS 15

- Oil 2 litres on engine (504920) Q8 FS 10W-40 or similar
- Oil filter 1 pc. on engine (503151)
- Fuel filter 1 pc. on engine (503152)
- Fuel filter 1 pc. on engine (tank) (504268)
- Hydraulic filter 1 pc. on Hydraulic system (500410) / (500490)

Boiler

- Fuel filter 1 pc. to each oil burner (only if mounted) (500413)

Remember to check all air filters regularly (replacement schedule can vary from different work conditions)

(It is important to have the first service check very early, because when starting up the circuit is cleaning it self and all the impurities can cause clogging of the filter with the risk of too low lubrication and flow)

Please remember to read the manual before using the machine.

In the service scheme you will also find the daily checks you must remember.

The next service must be done by 250 hours.

Parts for every 250 hours

- Oil 2 litres on engine (504920) Q8 FS 10W-40 or similar
- Oil filter 1 pc. on engine (503151)
